About the Artist

Welcome! I make 3D wall art, specializing in butterflies and dragons in many colors. Many buy my art to decorate their new baby's nursery, for a special event such as wedding, birthday or shower, or for any room that can use a unique pop. ♥Everything is removable & wall-safe!♥ I also make cute wood jewelry with a focus on nature. All pieces by me, Jacqueline Jean. Thanks for stopping by!

Beautiful little dragons. These will add much needed detail to my dragon-loving-nephew's empty bedroom walls.
